ACHIEVEMENTS

Best use of Amazon Web Services
- My team and I won this award for implementing banking into Amazon's Alexa at Hacknotts 2016

Increasing Student Union approval ratings from ~30% to ~95%
- The previous year the student union scored 30% on the question "Does the student union represent you?" After I became the sole Student Union officer this statistic and many others went from sub 30%'s to high 90%'s

Student Ambassador Award
- This award was presented to me for my effort in introducing young females and boys into the world of Science, Technology, Engineering and Maths.

Fireworks Night 2016
- In 2016, whilst working for an events team, I helped evacuate the public from an out of control bonfire and performed emergency first aid on a child who was hit with a fragment of a firework until the paramedics came.
